

# REAL Program Years 11 & 12

This is the third stage in the Richmond Emerging Aboriginal Leadership journey. This three-day, residential program further expands participants understanding of the three key pillars of the REAL program.

Our year 11/12 program includes workshops that explore:

- Being a young leader within your community.
- Looking out for other mob.
- Your rights and responsibilities as a young First Nation's person.

This program is held in Melbourne with participants based primarily at the Richmond Football Club. Participants stay at Club approved accommodation within the Richmond precinct. Supervision is provided by KGI staff. All meals and equipment are provided.

The 11/12 program includes a football match and dinner in the city.
