

# KGI Youth Parliament Program

The Youth Parliament is a program run by YMCA and gives young people a chance to be heard at the highest levels of the Victorian Government.

Each year, the KGI enters a youth parliament team. This team of 6 is managed and mentored by a KGI staff member.

Over a 6-month period the team is provided with training in public speaking and leadership. Each team then chooses an issue of importance and drafts a Bill that will be debated within the parliamentary chambers. Bills passed by the Youth Parliament and approved by the Youth Governor, are then passed onto the State Government for consideration.
